To whom it may concern:

I serve as President of the Dallas-Valencia Committee where I have worked with Mariano Fernandez.

The committee has been extremely active in the Spring of 2012 with the inauguration of the Margaret Hunt Hill Bridge designed by Valencian-born architect Santiago Calatrava. Leading up to and during the weekend of events surrounding the Bridge opening March 1-4, Mariano was an active member of the Dallas-Valencia Committee. In addition to serving on the committee as an active volunteer, Mariano also catered the event at the Meadows Museum on March 3rd, which was partially underwritten by the Tourism Office of Valencia.

Please let me know if you need any additional information.

Best regards,

José Gomez
President
